ABOUT ME

Creative Brand Designer and AI-Powered Visual Storyteller with **1.5+** years of experience creating impactful visual communication across social media, advertising, e-commerce, Amazon A+ content, and product storytelling.

Worked with **50+ brands** across FMCG, Hardware, Plywood, Automotive, Fashion, Consumer Products, and E-Commerce industries.

Passionate about combining creativity, technology, and marketing psychology to build memorable brand experiences and conversion-focused design systems.

EXPERIENCE

APRIL 2025 – PRESENT

Freelance Brand Designer & AI Creative Specialist

- Working with brands across India on brand communication and advertising campaigns.
- Designing social media campaigns, product promotions, and performance marketing creatives.
- Creating Amazon A+ content, listing images, infographics, and e-commerce assets.
- Using AI workflows for concept generation, product visualization, mockups, and creative production.

FEBRUARY 2025 – APRIL 2025

Graphic Designer | NextZen Digital

- Designed social media campaigns and advertising creatives.
- Created performance marketing assets for multiple brands.
- Collaborated with marketing teams on visual branding initiatives.
- Developed campaign creatives focused on engagement and conversions.

MAY 2024 – JANUARY 2025

Graphic Designer | Keyword India Network Pvt. Ltd.

- Worked on social media campaigns, advertising creatives, and brand communication projects.
- Created marketing collateral and digital creatives for various industries.
- Developed visual assets for client promotions and awareness campaigns.

2024

Content Creator & Video Editing Practice

Self-Managed YouTube Channel & Ayush Bhandari

- Managed content ideation and creative direction.
- Designed thumbnails and branding assets.
- Developed storytelling, audience engagement, and content optimization skills.
- Built a strong foundation in visual communication and creative strategy.
